

Information concerning OCCS, AST and SNOW

Sometime in the early 90's a group of parents that were members of PWSC and QDD decided that they didn't like to travel to meets. And that it would be easier to associate with PV. At that time they formed OCCS with a PO Box in PV. Virginia Swimming had conversations with National HDQS and was told that there was nothing that could be done about it. OCCS first registered with PV on 12/25/92

In 1992 Ida Lee Rip Tides, Leesburg, joined Virginia Swimming. They were sponsored by the Ida Lee Recreation Association. This team continued with Virginia Swimming until 1997 when the Recreation Association decided they didn't want to sponsor the team anymore and opened up the facility to any team that could afford the pool time. The Ida Lee parents group could not afford the pool time. Solotar came in and rented pool time. The athletes from Ida Lee either quit swimming or joined Solotar. Snowbird was registered 10/01/98.

In 1992 Ashburn Swim Team was formed in Ashburn with a PO Box in PV. The team used the PO Box of their corporate headquarters. They were registered 12/25/92.

OCCS has a PO Box in Lorton, Va. Their web cities are Woodbridge and Manassas.

SNOWBIRD is registered with a Leesburg address and their web cities are Sterling and Leesburg.

ACT is registered with an Ashburn address and their web cities are Ashburn and Sterling.

These are the facts as I remember them.
