The Operational Risk Committee of USA Swimming invites you to create a poster for our Annual Safety Poster Contest, *sponsored by Swimmer's Edge*. The theme for this year's contest is *Safety at Swim Practice*. This contest promotes safety in our sport and is targeted to our athlete members.

The goal is simple: create a poster about *Safety at Swim Practice* (water or dryland) the rest is up to you and your imagination. Please remember no copyrighted material may be used without permission. The USA Swimming logo may be used.

The poster can be created in any medium but must be submitted in an electronic format (scanned, photographed, electronically created, etc.) from the LSCs to Operational Risk Committee. Poster must be 20" x 24" for display. All athlete members are eligible, each LSC picks one winner. The Operational Risk Committee will select 10 posters from the LSC submissions for display at the United States Aquatic Sports ("USAS") Convention. Grand Prize will be selected at Convention based on voting by visitors to the display.
