We have applied to have this meet designated as a "qualifying meet" under the new national officials certification program. Any official interested in being evaluated should contact Dave Bimber for more information and an application to be evaluated. Only the Team Manager or alternate is permitted to represent the LSC. Protests will not be accepted from anyone other than the Team Manager or alternate. Because of the dual pool operation, it is highly recommended that each LSC provide an Alternate Team Manager AND a Team Manager

**MEETINGS:**

**The Team Manager's meeting will take place at the ECC Flickinger Aquatic Center on August 8th at 6:00 pm. Team Managers or Official Alternate Team Managers from each LSC MUST be present at the meeting.**

**REFRESHMENTS:**

Large refreshment concessions located in lobby of the Alumni Arena Pool and Flickinger Aquatic Center. Coaches and officials hospitality located in separate area.

**Adapted Swimmers:**

Each LSC may bring two swimmers with disabilities age 12 & under, and two swimmers age 13-18 to the meet. These adapted swimmers are in addition to the swimmers who have qualifying times for the meet events. Each LSC may select the adapted swimmers at their own discretion. With the recommendation of the LSC coach or Manager, the meet staff will determine where the swimmer best fits into the meet (seeded with their peers, seeded with their peers but in a shorter distance, seeded with younger swimmers, etc.) and will place them accordingly. All adapted swimmers competing in the meet will receive participation medals.

### **Procedures for Inclusion of Swimmers with Disabilities**

- ❖ Swimmers with disabilities may compete without having achieved the qualifying standard for their age group. However, they must provide a time for each event they enter. Swimmers with disabilities shall be entered on the form included on the next page. You can email this information – but all of the information on the entry form must be included in the email! Classification of a swimmer with a disability is irrelevant.
- ❖ Each LSC may select two swimmers with disabilities age 12 and under and two swimmers age 13-18 in any manner deemed appropriate.
- ❖ Swimmers with disabilities may compete in finals, earn awards and score points for their team in the same manner as the able bodied swimmers.
- ❖ It is the responsibility of the swimmer, or his/her coach, to inform the Meet Referee of any disability-related accommodations he/she may need in order to compete. In addition this information must be given in advance of the meet on the entry form. The Meet Referee shall determine any modifications that may be required. This information shall be relayed to the starter and stroke and turn judges. Visually impaired swimmers who require tappers must bring their own devices and individuals to use them.
- ❖ Aside from the norm, the meet staff has the ability to seed the swimmer with a disability in a number of ways. These options include: seed the swimmer with others of the appropriate gender, allowing the swimmer to complete half the distance of their age group (swim the 100 yard backstroke during the 200 yard race), or swim with a younger age group where their entry time is similar to the able-bodied swimmers for the same distance (a 15 year old swimmer with a disability could swim the 100 freestyle with the 10 & under age group). The final meet results should show the swimmer with a disability listed in the correct age and event, regardless of where he/she actually competed. The Meet Referee may reassign the lane of a deaf swimmer if a required view of the strobe light is obscured, and the light cannot be repositioned.
- ❖ It is the responsibility of the USA Swimming Adapted Chair to provide the Meet Referee with current American Records for swimmers with disabilities. It is the swimmer's responsibility to complete and submit an application for an American Record should one be set.
