Sunday 1650	2 timers/lane needed from clubs with swimmers							
Sunday Finals	2 timers/lane needed from clubs with swimmers							

Two timers per lane (2 buttons, 1 watch)

Please help us with this important function. Many clubs are not listed above as they have few swimmers in the meet. This does not mean, however, that your help is not wanted. Clubs should also strive to provide timers in proportion to the number of swimmers that they have in the distance sessions and in finals.

Thank you!
