

2008 Virginia Swimming LC Senior Championships Meet

Parking: We have paid for parking attendants to be on hand. Coaches and officials can park in the TAC parking lot. Swimmers, parents and spectators may drop off swimmers at the TAC entrance, but must park in the adjacent shopping mall parking lot. Coaches and officials, upon your initial arrival, you will be asked to provide your USA Swimming credentials. Once you are appropriately identified, you will be issued a parking pass good for the entire weekend. Please have your USA Swimming identification card available for the parking attendant to review.
