

STAT Swimming is seeking hard working, enthusiastic coaches who are interested in working with athletes of various ages with an emphasis on technique and keeping it fun and interesting for the athletes.

The successful candidate will work closely with the Head Coach and Age Group Coach in creating a positive team environment and program that develops personal, and competitive growth in the sport.

Position/Compensation:

- Work schedule will be PT with 6-12 hours per week depending on availability and group assignments. Additional hours for swim meets on weekends.
- Practices are in the evenings
- Pay based on experience

Duties/Qualifications:

- Assists with meets, practice and activities as needed
- Ability to work well with children
- Knowledge of Team Unify preferred for athlete entries into meets
- Knowledge of stroke technique with background in competitive development preferred
- Competitive swimming and coaching experience preferred
- Lead swimmers through skill mastery and swim practices.
- Provide a safe environment that allows swim team participants to learn
- Encourage and support swimmers to provide an enjoyable experience.
- Evaluate swimmers skills; provide skills needed to progress and learn correct stroke technique
- Ensure a fun and fair practice and swim meet experience.
- Supervise swim practices and meets
- Conduct practices with energy and enthusiasm and encouragement.
- Attend staff meetings and trainings as required.
- Attend meets when required
- Keep accurate attendance records
