

Club Development BOD meeting, April 28

Finalizing the mentors for Club Development.

As previously discussed, I will make a proposition to USA swimming to have the mentees go to the mentors. The proposition is due by December. I am hoping to have 8 mentors. The next step would be to find the mentees. A good time to find these people would be at the start of the next SC season, as many young coaches will be shifting jobs.

Mentors so far:

Bridget Burkot

Mike Salpeter

Tag Grove

Pete Mahoney

Dudley Duncan

MC (NOVA)

Ryan Woodruff

Sandra Jones

This is a great list at which covers many locations and teams. Hopefully everyone will be willing to provide their expertise once this is put together.

Thanks, Bridget
