

REGISTRATION CHAIR REPORT

January 6, 2007

There are 5259 athletes for 2006/2007. There are a total of 837 non-athletes and 47 clubs registered. Athletes are down 472, non-athletes 119, and clubs 4. UVA, VTAC, WPAC and TPHN have not registered for 2007.

Background Screening

We have had 80 non-athletes go through this process. 69 are coaches, the rest are either board members or non-coach members who are completing their certifications. There are more, but I haven't received any information since before the Christmas holidays. The time it takes runs from 1 day to 2 weeks so far. Then, USA Swimming sends a message to my mail box and adds the names to the card file. Unless this happens I can't send out any new green cards. And, if I am not notified by the coach, I have no knowledge that he has passed the screening process.

SINCE WE WILL GIVE THEM 30 DAYS FROM THE TIME THEY START THEIR SCREENING, I WILL HAVE TO KNOW THAT. IF ANYONE HAS AN IDEA HOW TO DO THIS, PLEASE LET ME KNOW. THE ONLY THING THAT I CAN THINK OF IS TO ASK FOR A COPY OF STEP 5 WHICH INDICATES THE DATE THEY DID THE SCREENING. GETTING THIS COPY MAY BE DIFFICULT UNLESS THEY CAN EMAIL ME WITH A COPY OR MAKE A COPY AND SEND IT SNAIL MAIL. ANY SUGGESTIONS?

Athlete reps

I have received names for reps from 11 clubs. As soon as I can track down addresses and email addresses for them I will send this information to the board and our athlete reps.
