|              |     |       |
|--------------|-----|-------|
| Athletes     | 579 | - 341 |
| Non-athletes | 816 | - 57  |
| Clubs        | 45  | - 2   |

Clubs not registered for 2010 are SSC and CVA. There are only 12 clubs that had an increase in athletes. And the increase was not a great amount. Seasonal membership went into effect March 15 and ends August 11.

Am expecting a new club membership from ODU Swimming.
